

THE HEART OF THE MATTER - PART 26

Isa 29:1 to 30:2

[1] ...Ari'el (literally Lion of El) a name used sometimes for Jerusalem

[13] ...this people has drawn near with its mouth... it has kept (far away) its heart from Me...

[Note: Talk is cheap]

[24] ...And those who went astray (wandered/vacillated) in spirit (ruach)... and the

grumblers (rebellious) accept (receive) instruction

[30:1] Woe to the stubborn (rebellious, back-sliding) children...

Isa 30:8-30

[20] ...your Teacher (teachers/morecha) shall no longer be hidden (removed into a corner).

But your eyes shall see (with respect and approval) your Teacher (teachers/morecha)

[27] Why is He burning with His wrath? Could it be because His people have heart issues?
