

Join us in a 30 Day V'ahavta Challenge! During the next 30 days, the challenge is to read it, learn it, memorize it, and live it. Start each day by reading Devarim (Deuteronomy) 6:5-9 with the intention of planning your day with the V'ahavta in mind. End each day with a second reading, reviewing how well you walked out your day. What insights did you receive today? Share them with us on our Facebook page at [www.facebook.com/mtoiworldwide](http://www.facebook.com/mtoiworldwide).
