

# PRECIOUS POSSESSIONS

## Craft Instructions Mosheh's Displeasure Exodus 32:10, 19

### Materials:

- Card stock - white or skin tone (2)
- Coloring pencils, crayons or markers
- Scissors
- Brad (paper fastener)
- Craft Template A & B

### Parent/Teacher preparation:

- Print Craft Templates A & B on card stock.

Note: there is no video for the craft this week.

### Instructions for the craft:

- Color Craft Template A to look like a face. Do NOT add eyes or lips, as they are on Craft Template B. Have fun with it adding a beard, hair, nose, etc.
- Color the lips, eyes and eye brows and tab on Craft Template B. It is not necessary to color the entire circle if it was printed on white card stock, as most of it won't be seen.
- Cut both circles out.
- With scissors or craft knife carefully cut out the rectangles from Craft Template A.
- Poke a hole through the dots in the center of both circles to allow brad to go through. Make sure you go in a circle when making the hole so that the top template will be able to spin.
- Use this craft while singing along to the parsha song this week or as you talk about the parsha. Notice there is not a happy face, as there was not a happy moment in this week's parsha.
