Notebook Page - page 2:

Instructions for the notebook page cont'd:

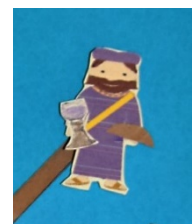

Abram, Lot, Malkitsedeq, King of Sedom, 4 kings with King of Sedom's armor, and the other 4 kings cont'd:

- Now, slide each person or group of characters to the different slits on the blue card stock.
 - Abram should be at the left side mountain.
 - Malkitsedeq should be on the far right of the other mountain.
 - King of Sedom (single king) should be on the middle slit just under the left mountain.
 - The set of 4 kings that match king of Sedom's armor should be on the slit shaped like an upside down L, under King of Sedom.
 - The other 4 kings should be in the slit under the mountain on the right.
 - Lot can be added depending on what the characters are doing.

Finishing the Main Page:

- Turn over the blue card stock with the characters still in place, and add glue around the back of the card stock. Leave enough space around the slits for the buttons to slide around.
- Make sure all the outer edges have glue, then place the brown construction paper on top and press to seal the glue. This will give stability to the notebook page so that the characters will still move.
- If using construction paper, trim excess paper off.
- Color the goblet and glue it to one of Malkitsedeq's hands.
- Cut out a small loaf of bread from brown scraps of construction paper and glue it to his other hand.
- Color the set of 9 baskets to represent Abram's possessions - glue this set of baskets on the left side near the mountain.
- Color the single basket and glue it near the top of the mountain to represent the tithe (1/10th), which he offered to Malkitsedeq.

PRECIOUS POSSESSIONS

Notebook Page - page 3:

Instructions for the notebook page cont'd:

Finishing the Main Page cont'd:

- Trace the tar pit onto black sandpaper or construction paper and cut it out.
- Using foam scraps, cut out 2 small rectangles the length of the tar pit.
- Glue a foam rectangle on the back of the tar pit, then, glue the second one on top (see picture to the right). This will cause the tar pit to be raised from the Main Page.
- Glue the tar pit to the right bottom side of the Main Page. To figure out where it should go, slide the 4 kings down. When they are all the way to the bottom they should look like they are in the tar pit.

- Write the following on the scroll:
1) "Barak" 2) "ברך" 3) "Bless"
- Glue this to the top left corner of the Main Page.
- Optional: write the ways Abram was blessed on the right side of the scroll (Gen. 13:2).

This is intended to be an interactive page, being able to act out the parsha with the different characters. Characters can be removed from the page and put back on very carefully.
